### What's a Neighbourhood Plan?

Neighbourhood Plans are part of the planning process, aimed at giving more say to local people. It can set out planning policies for the development and the use of land in a local area. Once adopted a Neighbourhood Plan forms part of the statutory documentation that is used to determine planning applications. Before the planning authority, which is East Herts Council, can adopt the plan, it needs to hear the views of its residents.

### COVID-19

In light of the recent Covid-19 pandemic the consultation will run for a period of 8 weeks to account for any disruption that may be caused. Due to the closure of the Council offices, we are unable to provide hard copies of the consultation documents. All of the submission documents are available to view on our website above, however should you require an alternative way of accessing these documents, please call us on **01279 655261.**
