Dear Mr Lockhart-Mummery,

George Pavey very kindly forwarded your email below to me. I'll try to answer the questions which relate to the Hunsdon, Eastwick & Gilston Parishes and their Neighbourhood Planning Group as the Qualifying Body.

Using your paragraph numbering:-

3. I am the contact and my name, email address and phone number are as here.
4. I've asked that all communications with you and EHDC on the examination be posted to our website.
6. I'm not sure what the Healthcheck is but I hope we passed it! Can we see it too?
- 7, EHC have passed on to us the representations from the landowners and other bodies at the end of September plus on Friday last week those from residents and on behalf of Hunsdon House which we are studying.
8. We would like to make some general comments on the representations and note what you say. These would not be intended to prejudge or anticipate whatever queries or clarifications you might seek from the parties later. I think we could produce these within 2 weeks.
9. We would be pleased to accompany a site visit; one of our chairs and/or I can do so plus our lead consultant though the earliest I can manage is 23rd October. Our chairs may have other dates free earlier.

Regards,

Frank O'Shea
