

GILSTON AREA NEIGHBOURHOOD PLAN REGULATION 14 CONSULTATION FEEDBACK FORM

The Neighbourhood Plan is being prepared by the Community for the Community- **We really need your views**

Vision and Objectives

Do you support the vision and Objectives?

Is there anything you would wish to change or add?

Accommodating Growth

Policies AG1-AG6: Protecting the Landscape Setting and the Separation of Villages Do you feel the Policies have adequately addressed the community's concerns about the impact of development on the landscape setting and character of existing communities?

Do the policies go far enough in ensuring development in the Gilston Area will be distinctive from Harlow?

Will the policies help to protect the countryside setting of new and existing villages?

Policies AG7-AG9: Infrastructure and Community Engagement

Do the policies address the community's concerns about the capacity of infrastructure and the provision of adequate infrastructure to meet the needs arising from new development?

Will the policies ensure the community is effectively involved in the development and implementation of proposals?

Delivering Quality Places

Policies BU1-BU4: Design and Layout of Villages

Do the policies reflect the vision for development in the Gilston Area and will they

help to deliver villages of an appropriate scale and form?

Will they help to deliver high quality living environments for new and existing communities?

Policies H1 and C1-C2: Heritage and Community Facilities

Does Policy H1 provide adequate protection for heritage assets?

Will Policies C1-C2 ensure appropriate provision and stewardship of community facilities to meet the needs of new and existing communities?

Policies TRA1-TRA4: Transport

Do the policies address local concerns about the transport impacts of new development and the promotion of sustainable transport options to minimise impacts on existing communities?

Will the policies help to minimise the impacts of new road infrastructure on existing communities?

Policy EX1 Impacts on Existing Villages

Will the policy ensure that measures will be taken to help mitigate the impacts of development on existing settlements and ensure local residents share in the benefits of development?

Are there any other projects you would like to see included in the Neighbourhood Plan?

Do you have any other comments on the Draft Neighbourhood Plan?
